

## Monitoring your child/children's attendance using parent hub

In the Parent hub app you can now see your child's attendance information.

You can do this by Tapping **Schools > student name > View recent attendance** will show you as parents a summary of the year to date, as well as the last 2 weeks of AM & PM sessions, represented by one of 6 symbols:

- on time
- late
- authorised absence
- unauthorised absence
- not yet marked
- school closed
